CHBE 606

Dean's Teaching Assistant

Room: TBD
Meeting Time: TBD

DESCRIPTION:
This course allows graduate students to assist faculty in assigned courses as a Dean's TA.

INSTRUCTOR:
Assigned Course Instructors; varies by student

COURSE OBJECTIVES:
Graduate students will advance the academic mission by assisting faculty teaching chemical engineering courses.

COURSE OUTCOMES:
OUTCOME #1: Students should demonstrate effective oral and written communication skills.

GRADE GUIDELINES:
Students get course credit on a S/U basis for the work they do in the course. Students should consult with the course instructor regarding grading.

ABSENCES:
Class attendance and participation is important and expected from all students.
If extended absences are expected, please inform your thesis PRIOR to the absence.

HONOR CODE:
Academic dishonesty will not be tolerated. Failure to comply with the University's policy will result in an automatic "F" for CHBE 401.
